

# Best of the Best Award

Established in 1867, the Toronto Construction Association (TCA) has over 1400 corporate members with a specific focus on the Industrial/Commercial/ Institutional sector of the industry. For over 130 years, TCA has been recognized as the "Voice of the Industry" and prides itself in representing members who are indeed "The Best of the Best".

TCA's "Best of the Best" Award is the construction industry's most coveted award setting the standard for outstanding achievement and for those who provide exceptional leadership and/or innovation to the construction industry. Selection is by peers based on special strict criteria, such as performance, high quality, innovative techniques, cooperative team/ partnership approach and superior safety record to name but a few. Award winners are selected annually. Vanbots has won this award 13 times in the past 11 years which is unprecedented in the industry.
